OFFICE OF LEGISLATIVE COUNSEL

Friday - 27 April 1973

2. [redacted] Talked with David Martin, ~~Senate Internal Security Subcommittee~~ staff. He said J. Sourwine, Chief Counsel of the Subcommittee, seemed favorably disposed toward the idea of publishing something on [redacted] but wanted to review the [redacted] file. Martin has prepared some material including everything but the first page of our paper. He has replaced the first page with two pages of text and they are thinking of publishing it under the title of the "Legacy of [redacted]"

3. [redacted] Talked further with Ron Tammen, on the staff of Senator William Proxmire (D., Wis.), about his call to me on Wednesday (see Journal of 25 April). I told him that General Walter's letter was not an interim reply and there was no specific time when we expect a decision to be made regarding publication of intelligence community budgets. See Memo for Record.
